Hearing No. 3647  
Volume XVIII

Helena, Montana  
December 5, 2005

ROBERT FLYNN and CARL MILLER

Rex Palmer

vs.

MONTANA STATE FUND

Thomas E. Martello

WCC No. 2000-0222

A telephone conference call was held this date to discuss telephone calls received by the Court from claimants requesting status of their additional benefit. Counsel participating in the call were Mr. Rex Palmer and Mr. Thomas E. Martello. Ms. Cris McCoy and Mr. Bill Visser of the Montana State Fund also participated. It was agreed that when the Court is contacted by individuals requesting status of their possible benefit, those telephone calls will be referred directly to Mr. Palmer's office.

Additionally, the State Fund will forward hearing notifications used in the *Murer*, *FFR*, and *Broeker* cases to Mr. Palmer, who will use those as templates to prepare a draft notification for the instant case. After approval by the State Fund, the draft notification is to be forwarded to the Court for review. Further, Mr. Palmer will prepare a list of claimants for which he needs verification documentation and submit that list to the State Fund. The State Fund will then copy and provide such documentation to Mr. Palmer for his records.
