Jackie:

Larry and I agreed that I provide this status update. As follow up to matters I discussed in my email to you on November 15, 2017, I served Larry with Discovery requests on December 13, 2017. The Notice of Service is at docket #744. On December 28<sup>th</sup> Larry asked me for a 60 day extension from January 3, 2018, to provide his responses. I approved the extension.

I have been in contact with the Department of Labor which has recently advised me that it has identified "50 or so claimants" with benefit adjustments due to Social Security Disability. I will submit a Motion and proposed Order to the Court requiring DOL to provide me with the identities of the

claimants. I will propose an Order like the one signed by Judge Shea on September 28, 2005, docket #372. Larry says he does not oppose the Motion.

We propose to provide the Court with another status update by the end of March, if this is acceptable.

If you have any questions, please feel free to contact my office.

Sincerely,

Rex Palmer
