IN THE WORKERS' COMPENSATION COURT OF THE STATE OF MONTANA

WCC No. 2000-0222

**ROBERT FLYNN

Others Similarly Situated
Petitioners**

vs.

**MONTANA STATE FUND
Respondent/Insurer**

and

**LIBERTY NORTHWEST INSURANCE CORPORATION
Intervenor.**

**ORDER FOR NOTIFICATION OF COMMON FUND FEE SETTLEMENT AND
HEARING DATE**

¶1 As a result of previous decisions in the above-captioned cause, Petitioners have established a legal precedent for certain claimants to receive additional workers' compensation benefits as a result of the Montana State Fund reducing benefit payments by taking a Social Security offset without paying any share of the costs and fees incurred by the claimant to recover the Social Security award. You have been identified as a claimant who may be entitled to additional benefits. The amount of additional benefits to which you may be entitled has been determined and approved by Order of this Court. You have or will receive a letter from the Montana State Fund advising you of the amount of additional benefits. There is no need for you to take any action to receive this additional benefit. Please do not contact the Montana State Fund or the Court about this entitlement.

¶2 Since the Petitioners in this case established the legal precedent for additional benefits, Petitioners' attorneys may be entitled to recover attorneys' fees from any additional amount that is due you. Petitioners propose that the attorneys' fees be fixed at twenty-five percent (25%) of the additional benefit set forth above. The Montana State Fund, by agreement, does not object to this amount. If the proposal is approved, you will receive seventy-five percent (75%) of the additional benefit set forth above. (If you have already been notified of your additional entitlement, 25% of your additional entitlement may
