RE: WCC No. 2000-0222  
Miller, Petitioners v. Montana State Fund, et al.

To whom it may concern:

I am writing to you on behalf of American Commerce Insurance Company ("American Commerce") in response to the Summons issued in connection with the above matter. The Summons states that American Commerce has been identified as an insurer providing workers' compensation insurance coverage in the State of Montana on or after July 1, 1974, and names American Commerce a respondent to the above proceedings.

Please be advised the American Commerce does not currently, and has not at any time in the past, provided workers' compensation insurance coverage in the State of Montana. American Commerce is a personal lines (auto and property) insurance company that has not and does not write workers' compensation coverage in any jurisdiction. Therefore, please amend your records accordingly and remove American Commerce from these proceedings.

Please feel free to contact me at (508) 949-4462 if you have any questions or if you would like any additional information or assistance.

Thank you for your attention to this matter.

Very truly yours,

Louise M. McCarthy  
Senior Counsel
