RE: WCC No. 2003-0840 and WCC No. 2000-0222

(Flynn)

To Whom It May Concern:

American Timber Company went out of business in 2000. At that time, we destroyed all files that were older than 10 years and, therefore, have no way of determining if we are affected by these cases or not as were self insured prior to 1990.

If there is any further information we can provide, please let us know.

Sincerely,

A handwritten signature in cursive script that reads "Kurt Larson".

KURT LARSON, PRESIDENT
AMERICAN TIMBER COMPANY
