Re: WCC No. 2000-0222 Flynn et al vs. Montana State Fund

Dear Judge:

Although Bakers Multiple Line Insurance Company ("BML") has no basis at this time to dispute the application of Flynn, BML reinsured all of its remaining health insurance business in 1996 and has been operating as a shell insurance company since that time. Prior to 1985 BML wrote a nominal amount of workers' compensation insurance nation- wide, but we do not have any records reflecting premiums collected or claim payments, if any, in Montana. If any governmental Agency in the State has records relating to any such premiums or payments, please notify us of the appropriate contact person, and BML will then be in a position to respond with details.

Very truly yours,

Rodney D. Moore
President
