**MOTION FOR EXTENSION
TO RESPOND**

Comes now, Respondent/Insurer, Lumberman's Mutual Casualty Company, and requests a 30 day extension of time to respond to the summons in the above referenced matter. The Respondent will use an electronic inquiry concerning a portion of the time period involved but needs to further investigate the location and/or existence of paper files for part of the prescribed time period. This summons was only recently brought to the attention of the individual assigned to the project within the company and thus an enlargement of time to respond is necessary.
