Pursuant to the Court's Summons and Notice of Attorney Fee Lien, Protective Insurance Co. (Protective Insurance) submits the following answer:

Protective Insurance objects to common fund certification in this case and asserts the following defenses:

1. Petitioner cannot satisfy the three elements for common fund certification set forth in the *Ruhd* decision.
2. Petitioner did not request common fund certification in a timely manner.

3. The decision should not be applied retroactively because Petitioner cannot satisfy any of the three *Chevron* factors set forth in the *Dempsey* decision.

4. Application of a common fund under the facts of this case would violate provisions of the U.S. and Montana Constitutions, including but not limited to, procedural and substantive due process, freedom of contract, and taking without just compensation.

5. All defenses raised by any and all defendants in this case or that have been asserted or could be asserted in this case or any other common fund case pending before this Court or the Montana Supreme Court.

For the reasons set forth above and asserted by other defendants, Protective Insurance objects to common fund certification in this case.

DATED this 20 day of June, 2005.
