WORKER'S COMPENSATION JUDGE

Jackie,

Davis, Hatley, Haffeman & Tighe represents Lumber Mutual Insurance Company (in Heitt, Reesor, Satterlee, and Flynn & Miller) and United State Liability Insurance Company (in Reesor, Satterlee, and Flynn & Miller). We anticipate we will represent these two companies in any additional common fund cases and will accept service on their behalf. Neither of these insurers provided any coverage or received any claims so we will seek dismissal of both of them from all common fund cases at the appropriate juncture.
