ST PAUL TRAVELERS' MOTION FOR EXTENSION TO PROVIDE INFORMATION
REQUESTED PURSUANT TO SUMMONS

COME NOW, St Paul Travelers, by and through its attorneys of record, and hereby move the Court for an extension of time to respond to this Court's Summons in

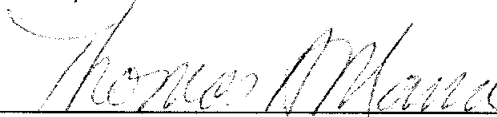

the above referenced case, and specifically that information requested pursuant to Paragraph 4 of the Summons.

This Motion is based upon Paragraph 5 of the Summons. St. Paul Travelers is unable to provide all of the information requested in Paragraph 4 on or before April 18, 2005. The information is not able to be provided at this time as St. Paul Travelers had initial difficulty accessing older claims. The claims under the purview of St. Paul Travelers would include the Travelers' entities named in the Summons, as well as any St. Paul claims and some Aetna claims as well. However, it appears that the in access issue has been resolved and it is anticipated that the information can be supplied within the next 14 to 21 days. The claims have now been identified and it is a matter of going through to verify whether and to what extent the claim meets the requisite criteria.

DATED this 15th day of April, 2005.
