Re: Rausch v. Montana State Fund and Ruhd v. Liberty Northwest Ins. Corp.  
WCC No. 9907-8274R1

Dear Mr. Coyer:

We received your letters responding on behalf of Champion International Corp., Consolidated Freightways Corp., and Target Corp. For insurers and self-insurers having difficulty in locating the information required by the Summons, the Court is providing an extension for responding to the Summons, up to and including April 18, 2005. If by that date you are still having difficulty in compiling the information, we will need you to file a response indicating what efforts have been made to locate the information, what more needs to be done, and how much more time is needed. Otherwise, the information should be submitted at that time.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike McCarter".

Mike McCarter  
Judge
