Rausch v. Montana State Fund and The Travelers Companies

Counsel,

OFFICE OF  
WORKERS' COMPENSATION JUDGE  
HELENA, MONTANA

The Court is in receipt of the Settlement Stipulation Re: Common Fund Attorneys' Fees Withheld by the Travelers Companies and the Affidavit of Counsel, which I provided to Judge Shea for his review.

He advised that we have established a procedure that includes a public hearing and, in this instance, no hearing has been provided. Judge Shea believes it is important to maintain the procedure that has been in place.

Please contact me to schedule a date and time for the hearing. As allowed previously, counsel may appear telephonically.

Feel free to contact me if you have any questions.
