**BRIEF ADDRESSING INTERIM  
ATTORNEY'S FEES**

COMES NOW the law firm of Hammer, Hewitt & Jacobs, PLLC, on behalf of the  
above referenced Intervenors, and hereby submits its brief regarding the issue of interim

DOCKET ITEM NO. 308

attorney's fees. The undersigned discussed with Petitioner's counsel their position regarding the issue of interim attorney fees on December 28, 2005. It is the undersigned's understanding that Petitioner's counsel simply wish to proceed with the verification of each insurer's/employer's claims to which the global lien attaches, rather than waiting for the payment of attorney's fees at the conclusion of this proceeding in its entirety. To that extent, the above referenced Intervenor's have no objection.

The Intervenor's consent to proceed on an individual insurer/employer basis in no way waives their right to object to the payment of interim attorney's fees on closed, inactive or settled claims. This Court's, and ultimately perhaps the Montana Supreme Court's, decision relative to the briefing in *Flynn* on what constitutes a closed, inactive or settled case will control any dispute regarding the payment of attorney's fees in this matter.
