RE: Reesor v. State Fund
WCC No. 2002-0676

OFFICE OF
WORKERS' COMPENSATION JUDGE
HELENA, MONTANA

Dear Judge McCarter:

Several of the "Great American Insurance Companies" have multiple appearances in the Reesor case through different counsel. Specifically, on June 3, 2005, attorney Steven Jennings filed Responses for Great American Alliance Insurance, Great American Assurance Co., Great American Insurance Co. and Great American Insurance Co. of N.Y. Thereafter, on June 6, 2005, attorney Oliver Goe filed Answers for the same companies. I alert the Court and counsel to this problem to avoid duplication. Please note the restraint exhibited, as I have made no silly jokes about double billing. Thank you.

Sincerely yours,

Thomas J. Murphy
