Re: Reesor v. State Fund
WCC No. 2002-0676

Dear Judge Shea:

In accordance with the Court's Order dated 12/6/05 (Docket #324), I reviewed several insurance company affidavits requesting dismissal without prejudice in the Reesor common fund action. Based on the statements contained in these affidavits, and in reliance on their truthfulness, I stipulate that the Court may dismiss the following insurance companies without prejudice:

<u>Insurance Company</u>	<u>Affidavit #</u>
Berkley Insurance Company	349
Starnet Insurance Company	347
Caterpillar Insurance	331

Please note that I previously stipulated to the dismissal of Caterpillar Insurance, but the Court's order dated 1/30/06 (Docket #355) did not dismiss Caterpillar Insurance. Therefore, I include Caterpillar Insurance on this list to correct any possible oversight. Please contact me if you have any questions about this matter. Thank you.

Sincerely yours,

Thomas J. Murphy
