RE:    Common Fund Cases

Dear Jackie:

This will confirm our recent discussion concerning service upon Qwest. As I indicated with regard to the Schmill case, I happened see they were on this list of Summons Issued. When I contacted them at the eleventh hour, they had not been served. I understand that your addresses come from the Department of Labor and may be a bit stale.

With regard to Qwest, I would ask that you please serve Carole Dinan-Fitch. Carole is the Workers' Compensation Program Manager for Qwest. It is important that it be directed to the appropriate address which is the following:

Carole Dinan-Fitch  
Workers' Compensation Program Manager  
1801 California Street, Suite 1150  
Denver, CO 80202

Thanks Jackie.

Very truly yours,

CAREY LAW FIRM, P.C.
