Re: Reesor v. State Fund
WCC No. 2002-0676

Dear Kelly:

I received your 5/5/06 letter explaining the Affidavit of Darrel M. Seife for Bankers Multiple Line Insurance Company. Unfortunately, the affidavit must be clear on its face. Therefore, if your client wants his affidavit to be considered for early dismissal, please ask your client to submit an affidavit that indicates the applicable exception. Presently, I object to the dismissal of your client, because the affidavit is too vague. By copy of this letter, I inform the Court that I object to the dismissal of Bankers Multiple Line Insurance from the Reesor common fund case. Thank you.

Sincerely yours,

Thomas J. Murphy
