24 I am readily familiar with the firms practice of collection and processing correspondence for
25 mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with
26 the postage fully prepaid in the ordinary course of business. I am aware that on motion of the party
27 served, service is presumed invalid if postal cancellation date or postage meter date is more than one day
28 after date of deposit for mailing in this Proof of Service.

I declare under penalty of perjury that the forgoing is true and correct.

DATED this 14th day of August, 2008.
