Re: *Schmill v. Liberty Northwest Ins. Corp.*, WCC No. 2001-0300  
*Stavenjord v. Montana State Fund*, WCC No. 2000-0207  
*Reesor v. Montana State Fund*, WCC No. 2002-0676

Dear Mr. Lajoie:

The Court has received your requests for dismissal in each of the above cases.

As to *Schmill*, this case is on appeal at the Montana Supreme Court and the Workers' Compensation Court does not have jurisdiction to dismiss any parties. Once the Supreme Court remands the matter back to this Court, we will have jurisdiction to issue any orders of dismissal at that point.

As to *Stavenjord*, this case has not been certified as a common fund so any dismissal would be premature. Accordingly, Transport Insurance Company cannot be dismissed from the action since it is not a party.

As to *Reesor*, this Court issued an order denying common fund certification. The case was appealed to the Montana Supreme Court, but remanded pending settlement with the Montana State Fund. We anticipate notifying insurers as to how this matter will proceed in the near future.
