RE: *Dale Reesor, Petitioner vs. Montana State Fund, Respondent/Insurer*
Petitioner's Notice of Common Fund Attorney Fee Lien, Case No. WCC No. 2002-0676

We acknowledge receipt of the above-referenced Notice.

Evergreen National Indemnity Company is licensed in the State of Montana, however, it has never written any Workers Compensation Insurance in the State of Montana. We have conducted an exhaustive search of our Workers Compensation database and no claims have arisen in the State of Montana as a result of our writing Workers Compensation insurance in any other state.

Accordingly, Evergreen National Indemnity Company cannot have any liability for any attorney's liens and believe a written answer to the petitioner's request should not be required. Should either the court or the petitioner's counsel disagree with this position, please advise our company. Unless we are notified otherwise, we will assume that, since we have not had workers compensation policies in the state, there will be no need for any formal response from our company.

Very truly yours;

Charles D. Hamm
Chief Financial Officer
Evergreen National Indemnity Company
