

3. A common fund does not exist in this case because the process of identifying unascertainable beneficiaries places an impermissible and undue burden on insurance companies who wrote workers' compensation policies in Montana.
4. A common fund does not exist in this case because the participating litigant, Dale Reesor, did not create, preserve or increase an identifiable monetary fund or benefit in which all non-participating beneficiaries maintain an interest.
5. In the event that a common fund is found to exist in this case, the identified beneficiaries are liable for payment of the attorneys' fees and not this answering respondent.

WHEREFORE, SENTRY INSURANCE MUTUAL CO. respectfully requests this court to issue an order denying the existence of a common fund in this case.

Dated this 2nd day of June, 2005.
