Re: Catherine E. Satterlee, et al. vs.
Lumberman's Mutual Casualty Company, et al.
WCC No. 2003-0840 – Notice of Opportunity to Appear and Intervene

Dear Honorable Court:

I am the General Counsel for Endurance Reinsurance Corporation of America ("ERCA"). We are in receipt of the captioned document and are filing this letter with you on behalf of ERCA in connection therewith.

Please be advised that while ERCA is licensed to write workers' compensation insurance coverages in Montana, ERCA has never written any such policies at any time. Accordingly, ERCA does not have and never did have any claimants under any workers' compensation or employers' liability policies issued in Montana. The proceedings and ultimate determinations in the instant case are, therefore, not ones that will impact ERCA. We would appreciate receiving confirmation from your office that we are dismissed from this matter.

Should you require anything further from ERCA, please do not hesitate to contact me in writing at the address below. Thank you.

Sincerely yours,

Emily A. Canelo,
EVP, Secretary and General Counsel
