RE: *Catherine E. Satterlee, et al vs. Lumberman's Mutual Casualty Company, et al*
Petitioner's Notice of Opportunity to Appear and Intervene, Case No. WCC No. 2003-0840

We acknowledge receipt of the above-referenced Notice.

Evergreen National Indemnity Company is licensed in the State of Montana, however, it has never written any Workers Compensation Insurance in the State of Montana. We have conducted an exhaustive search of our Workers Compensation database and no claims have arisen in the State of Montana as a result of our writing Workers Compensation insurance in any other state.

Accordingly, Evergreen National Indemnity Company is requesting it be dismissed from any further pleadings, hearings, or certifications in this matter. Should either the court or the petitioner's counsel disagree with this position, please advise our company. Unless we are notified otherwise, we will assume that, since we have not had workers compensation policies in the state, there will be no need for any further response from our company.

Very truly yours;

Charles D. Hamm
Chief Financial Officer
