(Satherlee)

To Whom It May Concern:

L. Peter Larson Company went out of business in 2000. At that time, we destroyed all files that were older than 10 years and, therefore, have no way of determining if we are affected by these cases or not as we were self insured prior to 1990.

If there is any further information we can provide, please let us know.

Sincerely,

Conni D. Fletcher
