RE: WCC No. 2003-0840

DATE: 01/11/2005

CASE NAME: Catherine Satterlee, et al. v. Lumberman's Mut. Cas. Co.

PERSON(S) CALLED: JB

PERSON CALLING: Mike Heringer

**MESSAGE:**

Mike Heringer called wondering if all the attorneys received an extension on the January 13, 2005, deadline to provide a status of the case to January 21, 2005, or just Brad Luck.

I told Mike that I believed all the attorneys could receive this extension but that I would double check with Pat and if there was a problem, I would call Mike and let him know.
