Subject: Motion for Estension of time for Satterlee brief. 0840

Judge McCarter:

As you know we currently have before you a motion to extend the deadline for our response to the Saterlee Petitioners' motion for summary judgment. I have been in contact with Mr.Hunt today and he advises that he does not oppose the motion. Accordingly, as today is the date that the motions are due, I respectfully request that you let me know if you'll be able to decide this issue today. If you cannot decide the issue today I'll contiue to march on the response breif that I have and try to get it to you today. If you later grant my motion for an extension of time I'll ask for a supplmental brief.
