¶1 The Second Amended Petition for Hearing in the above-entitled matter alleges that the provision of section 39-71-710, MCA, which provides for termination of rehabilitation benefits and permanent total disability benefits upon a claimant's receipt or eligibility for social security retirement benefits is unconstitutional. The petition further requests that the case be certified as a class action or that the common fund doctrine be applied.

¶2 The petitioners have filed their opening brief regarding their constitutional challenge. The Court invites you to review that brief, a copy of which can be downloaded from the Court's WEB site, www.wcc.dli.mt.gov, by going to the common fund area and thence to the linked *Satterlee* page.

¶3 At present, the Court does not intend to address the class action and common fund requests. However, a decision in favor of the petitioners may lead to class or common fund certification, thereby affecting insurers not presently parties in this case. The Court is therefore providing an opportunity to all insurers who have provided workers' compensation insurance coverage since July 1, 1981, to appear and intervene in this case so that they can participate in the briefing and argument of the petitioners' constitutional challenges and, if the constitutional issues are decided in the petitioners' favor, in the briefing and argument of the petitioners' request for class action or common fund certification.

¶4 **If you wish to appear and intervene in this case, then you must cause your attorneys to file a Notice of Appearance on your behalf, along with a Notice of Intervention. Such notices should be mailed to the Court at P.O. Box 537, Helena, MT 59624-0537, or delivered to its offices at 1625 11th Avenue, Helena, Montana, no later than June 6, 2005.** The Court will be responsible for disseminating copies of all appearances and notices of intervention to counsel of record and to other interested persons.

¶5 A schedule for filing of answer and reply briefs will be fixed after the time for intervention has expired.

DATED in Helena, Montana, this 18th day of April, 2005.
