Counsel and Interested Parties:

As you are aware, the Court will be setting oral argument (in-person) in the *Satterlee* matter. The hearing will be either October 4, 5, or 7, 2005. Please let us know which of these dates works best for you.

Judge Designate Shea has asked the Court to schedule a telephone conference prior to the oral argument for the purpose of determining how much time will be allowed each side to argue. The Court will allow an equal time for each side. Petitioners can reserve some of their time for rebuttal. Each side, along with the amicus attorneys, should confer among themselves to apportion the allotted time available for argument.

The telephone conference will be scheduled either the week of September 19 or on September 26, 2005. Please notify the Court of your intent to participate. As this is Petitioners' motion, they shall arrange for and initiate the call.

Thank you
