PETITIONERS' NOTICE OF CORRECTION TO MOTION FOR RECONSIDERATION

Petitioner's Motion for Reconsideration contains a typographical error. In the last paragraph of their Motion, Petitioners state that "this matter is ripe for final certification for purposes of appeal." Instead, it should read "this matter is *not* ripe for final certification of appeal." Therefore, the last paragraph of this Motion should state as follows:

Thus, there are material facts in dispute, and Satterlee asks this Court to allow discovery. Because there are controverted facts on material issues, this matter is not ripe for final certification for purposes of appeal. Therefore, Satterlee asks that this Court remove final certification for appeal, allow discovery, and reconsider its Order denying Satterlee's Motion for Partial Summary Judgment after discovery is completed.
