OFFICE OF
WORKER'S COMPENSATION JUDGE
HELENA, MONTANA

To all concerned

I would like to object to the proposed paying of 25% to the attorney's

I would like to see that you & all connected with this, look on these case with compassion for those who suffered with this occupational diseases.

I worked for a family Business, because we didn't have a large work force, I could not leave to have the surgery, I had to work many years with this pain and much difficulty doing my job.

So would it be so bad to see those attorney's take a lesser fee. And let those who suffered with this disease, for we were the one out of a job.

During this time of recovery with out a psych. from work, living on what was Recwed from State Evnd.

Sincerely

Mark Cullotte
