Jackie,

The parties have agreed to vacate the hearing on the Petitioner's motion to compel set for July 22. We will be filing two implementation plans for the Court's review. Depending on the outcome of the searches done pursuant to the implementation plans, the Petitioner will either ask the Court to reset the hearing, or withdraw her motion. We anticipate being able to advise the Court of the status of the motion to compel in approximately 90 days.

Please advise the parties if this arrangement is acceptable to the Court. Thank you.
