COUNTY OF MULTNOMAH)

I, GUY BOILEAU, being first duly sworn, depose and say:

1. I have been the National Claims Manager for Louisiana-Pacific Corporation for approximately 14 years. I have a *Juris Doctor* and began working with workers' compensation claims in 1979.

2. In my capacity as National Claims Manager for Louisiana-Pacific Corporation, I am authorized to make the statements in this affidavit on behalf of Louisiana-Pacific Corporation.

DOCKET ITEM NO. 1698

DF

3. Louisiana-Pacific Corporation Corporate Records Department identified and located 17 boxes of Montana workers' compensation claims filed with Louisiana-Pacific Corporation for dates of injury from July 1, 1987 to June 22, 2001.

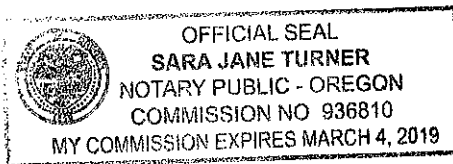

4. I personally reviewed each file in each of the 17 boxes. I identified all the occupational disease claims where a permanent award was made. Then, I reviewed each file to see if there was an order of approval from the Montana Department of Labor and Industry, Employment Relations Division or Workers' Compensation Court. I found no cases in which a permanent disability award was reduced using allocation.

5. The above facts are true and accurate.

DATED this 29th day of September 2016.
