Tom,

Attached is the draft letter and questionnaire for distribution in the *Flynn* matter.

The documents were typed in WordPerfect. I saved them into a Word format and sent you both versions.

I have tried to correct all the formatting problems with the conversion.

As a reminder, the dates due will need to be inserted in both documents before mailing.

Please do not hesitate to contact me if you have any questions.

Jackie Bockman
Deputy Clerk
Workers' Compensation Court
