RE: WCC No. 2003-0771

DATE: November 6, 2003

CASE NAME: Carl Miller v. Montana State Fund

PERSON(S) CALLED: Clara

PERSON CALLING: Rex Palmer

MESSAGE:

Rex called me as a result of my email inquiry regarding the status of this case. Rex pointed out that this case was consolidated with the post-remand proceedings in Flynn (0222). (See the May 30th order of consolidation.) The parties filed a Rule 10 motion in the Flynn case with the Supreme Court to delay the briefing schedule.

Regarding Flynn, Rex said that he is waiting for Brad and Tom to respond to his draft settlement agreement. Miller will be encompassed in the Flynn settlement.

Pursuant to our conversation, I will diary the Miller case for periodic review and will track it with the events in the Flynn case.
