Re: Rausch, et al. v. Montana State Fund
Ruhd v. Liberty Northwest Ins. Corp.
WCC No. 9907-8274R1

Counsel and Interested Parties:

As you are aware, the Court is trying to discern the most efficient method of serving all parties in the above matter. We originally intended to copy the responses onto CD disks to distribute the information that did not contain confidential claimant information to the parties.

We have now posted all the non-confidential responses received from insurers, adjusters, and attorneys on our WEB site at http://wcc.dli.mt.gov/rausch_info_2.asp. We will be posting the responses on the WEB as they are received and believe it may be an easier way for you to get the most current responses. If you nonetheless want the information on CD, please let us know. Only the attorneys that have confidentiality agreements in place and a Court order authorizing disclosure will be provided the responses which contain confidential claimant information.

Please let the Court know if you are unable to retrieve the information from the WEB site and wish to be served in an alternative fashion.

Sincerely,

/s/ Mike McCarter

Mike McCarter
Judge
