RE: December 2011 Helena Trial Week

In order to accommodate the Court's schedule, the December 26, 2011, Helena trial week has been changed. Trials will begin on Monday, December 19, 2011, and run through Friday, December 23, 2011. Please note that this change is only for the December 2011 calendar and will not affect future Helena December calendars.
