RE: Missoula Trial Calendar

At the time I prepared the master calendar setting the 2005 Fall Missoula trial term, the trial date was set during the week of September 12, 2005, to accommodate Judge McCarter's schedule. Since the incoming Judge designee, James Jeremiah Shea, will be presiding over this calendar, the date for the trial week is **restored** to its regular week. Therefore, the following cases scheduled on the Missoula trial docket during the week of September 12, 2005, will now be heard during the week of September 26, 2005.

2004-1164 Gibbs v. Pacific Employers Insurance Company
2005-1219 Whitlock Vuller v. Montana Insurance Guaranty Association
2005-1286 Auchenbach v. UEF/Upper Deck Bar & Grill
2005-1294 Arneson v. St. Paul Travelers Property Casualty
2005-1298 Ulrigg v. Montana State Fund
2005-1326 Miller v. K-Mart Corporation
2005-1331 Biggs v. Montana State Fund
2005-1332 Smith v. Montana State Fund
2005-1357 Goodman v. Liberty Northwest Insurance Company
2005-1358 Daniel v. Montana State Fund
2005-1359 Woods v. General Insurance Company of America/Safeco

In accordance with the above change, the scheduling orders issued in the above matters shall be changed to reflect that the date for all other pretrial motions, including motions in limine, must be received with briefs on September 8th; pretrial conferences will be conducted by telephone on Monday, September 12th; and depositions must be filed no later than September 22nd. (Please file the proposed pretrial order by 5:00 p.m., on Thursday, September 8, 2005.)

If you have any questions, please feel free to give me a call at 444-7794.

Thank you.
